

**ECO-UNESCO
Young Environmentalist Awards (YEA)
Student Evaluation Sheet**

Name

**Name and address of school or youth group
As stated on registration form**

**Names of teacher/
youth leader:**

Title of project

Information contained in this sheet will not be considered in the judging process
Please complete and return to ECO-UNESCO by project submission deadline. Please be
objective when answering questions.

About your project:

1. What environmental issue did you choose?

2. Why did you choose this issue?

3. Why is this issue important to you?

About you:

4. What did you learn by going this project?

5. What skills did you develop?

About the team:

6. What did you enjoy about working as part of a team?

7. Describe one problem the team faced and how the team over came it

8. What was your favourite aspect of doing this project?

About the broader school/community:

9. What benefits do you think this project has brought to your friends, school/youth group and community?

10. Do you do anything differently or think differently now than you did before the project?

Any other comments?

Thank you for taking part in the Young Environmentalist Awards. Remember, all your work has made a difference – well done!
